Buy American Compliant K12 Product List 2026-2027

The BUY AMERICAN PROVISION (7 CFR 210.21 (d) and Memo SP 38-2017). School food authorities (SFAs) in the continental U.S. must purchase domestic agricultural commodities and food products. For Processed foods, they must be processed domestically using domestic agricultural food components that are comprised of over 51% domestically grown items, by weight or volume.

All Red Gold products meet the requirements of the USDA Buy American Provision. The list below mirrors our K12 Product List and are the most popular in the K12 Program. Any product not listed is also still eligible. Upon request, we are happy to provide compliance information on any item not listed on this sheet.

Better Nutrition Made Simple™ Product Line of Tomato & Condiment Products: Nutritionally Enhanced™ Tomato Products & Naturally Balanced™ Condiments

Commodity Processing with Red Gold®...Easy as 1-2-3-4!

With more than 50 restaurant-quality tomato and ketchup products available through the USDA Commodity Processing Program, Red Gold® is your trusted supplier of tomato products made from USDA Material Number 100332 Tomato Paste Totes.

Flexible Pass Through Value (PTV) Method Options*

- Net Off Invoice (NOI)
- Direct Ship (School District Truckload only)
- Rebate / Ebate
- Fee for Service (FFS) is limited; check availability

* Check with your state office for options approved for your state.

STEP 1: HOW MUCH DO I NEED?

- Determine your annual tomato product menu requirements.
 - Download Red Gold's Commodity Calculator Tool to estimate your needs at www.redgold.com/red-gold-company/foodservice/k-12-school-program.
- TIP: Check menu for red/orange vegetable placements and condiment needs to calculate total pounds.

STEP 2: WHEN DO I ORDER AND WHOM DO I ORDER FROM?

- Ensure commercial distributor is "certified" and will STOCK the items requested (if using NOI or Rebate).
- Officially "procure" tomato paste and applicable tomato products through normal approved methods.
- Award Tomato Processing Contract to your qualifying tomato vendor.
- Commit tomato paste pounds/quantities PRIOR to USDA Survey deadline.

STEP 3: SETTING UP YOUR TOMATO BANK ACCOUNT

- Notify Red Gold LLC of distributor who will supply products for school year (if NOI).
- Red Gold establishes your "Tomato Bank Account" on or about July 1 of new school year.
- All transactions visible at K12foodservice.com (24/7).
- Donated Food Value Discounts* should appear directly off the invoice from your "certified" NOI distributor.
- "Certified" distributors to regularly upload sales data so account stays current.

STEP 4: SALES VERIFICATION

- Within the first month of shipments, check your invoices and K12foodservice.com website to ENSURE you are getting the PTV discounts.
- Issues identified EARLY can be fixed so that entitlement value or discounts are not lost.
- Continue verification periodically throughout the year.
- Products can be added or deleted as you choose and as your menus change.

Ask your local foodservice broker or contact

				REDBQ9B	Red Gold Diced Tomatoes in Juice (No Salt Added)	6/#10 cans	7 mg (2.1 oz)
*See Summary Product Formulation Statement (SPFS) and/or NLSR Red/Orange Vegetable Crediting Guide for Exact Serving Size that Credits as Red/Orange Vegetable. Per the USDA Food Buying Guide (FBG), items made with Tomato Paste & Tomato Puree credit based on "calculated volume " due to the concentrated nature of the product. It is less than a 1:1 ratio (Example: 3 oz. of Salsa Credit as 1/2 cup of Red/Orange Vegetable, not 4 oz.); Other Tomato Products Credit per USDA FBG instruction. Red Gold enhances their creditable items with extra tomato paste and puree.

Customer identified below agrees to the following terms and conditions:

<< Insert Customer Name

↓ Customer Initial		
	1	Purchase a minimum of 100 cases of Bulk Dispenser Pouch Condiments (for each provided Dispenser) within twenty-four (24) months of receiving the equipment. Example: 1 Dispenser = 100 cases purchased
	2	Use only Dispenser Pouch Condiments from Red Gold, LLC in the provided Dispenser(s).
	3	Insure contact has already been made to the Distributor(s) listed above to insure that they have agreed to stock or special order the product for the dispenser. Confirmation needed prior to shipment of dispensers.
	4	Review procurement / current bid award to insure there are not any issues that would conflict with this agreement for a multiple year purchase commitment.
	5	Please review the Instruction Sheet on the tab below for Dispenser Use to insure that staff is adequately trained on loading and cleaning the dispensers.
	6	Insure that a case sales tracking mechanism is available quarterly, either through k12foodservice.com for commodity purchases or through your distributor via a velocity report for commercial sales.
		In the event that the Commitment has not been met during the 24 month period, the customer agrees to:
	7A	Extend the contract an additional year(s) . . OR
	7B	Reimburse Red Gold, LLC for any "unearned" Bulk Condiment Dispensers provided, at the rate of \$139.10/dispenser. Note: 1 Condiment Dispenser Earned for every 100 cases purchased of dispenser product.

Please Note: Red Gold is not responsible for the replacement of parts or service of any dispensers once shipped.
Please visit Amazon or BuyRedGoldNow.com to order additional dispensers, replacement parts or accessories.

If the above is in accordance with your understanding of the agreement, complete and sign this original form and return via mail or email to contact listed below.
A fully executed agreement will be returned once approved.

Red Gold Education Dispenser Agreement Form 4.1.26 (DM)

Red Gold SY2526 Education Dispenser Program Summary & Tips for Success

Red Gold is pleased to be able to offer Condiment Dispensers to our K12 customers under 2 scenarios.

1 Purchase the Dispensers directly from Red Gold at \$139.10/dispenser

- a See Red Gold Condiment Sheet to reference code numbers for ordering
- b Earn \$.50/case Rebate on all purchases of bulk condiment products - no limit (details / TBD)

2 Engage in a Purchase Commitment Program with Red Gold for a minimum purchase quantity per dispenser (100 cases /dispenser placed)

- a Purchase commitment can be spread over 2 years
- b Commodity Purchases are eligible on all items with Tomato Paste
- c Insure the Distributor will stock (or special order) the product prior to program commitment
- d Evaluate your current condiment purchases for estimated usage to determine how many dispensers you may qualify for under the terms of program
- e Consider terms of procurement to insure multiple year purchase commitments are allowed and will not interfere with the process.

3 Construct a Dispenser Program using a combination of both options, depending on usage requirements and dispenser needs.

- a Carefully consider the number of dispensers needed based on site and location. Some sites may need multiple dispensers based on condiment/flavor stations, but volume may not warrant the number of dispensers being requested.

Key Learnings from Condiment Dispenser Experience with School Districts

- Try a TEST first and see how it works - this includes from both the student perspective as well as your managers; Red Gold will gladly support a Dispenser
- A Test, with limited product for one menu day, to insure this makes sense for you. It will also give you an opportunity to see how much product is utilized on a particular menu day.
 - B Focus on Middle and High School Locations; Elementary School sites should be considered very carefully and tested.
 - C Start small - you can always add more dispensers later.
 - D Consider dispensers for high volume condiments only; low volume condiment usage may not justify placement under Option 2.
 - E Watch the Red Gold Server Training Video prior to implementing a Program and consider local broker support for implementation.
 - F Understand that Parts and Service are not a part of the program; Part replacement is handled directly by Server.
 - G If you have any questions or concerns prior to getting started, please do not hesitate to contact a Red Gold K12 Team Member or your local broker.

Pouch Dispenser Unit

Model #9875

*Use with pouch up to 1 1/2 gallons.

1. Disassemble and clean before use

We recommend to clean the pump before first time use. In order to do so, you have to disassemble the pump's parts, see the detailed instruction below. Wash the parts by hand or in a dishwasher, using ordinary dish soap.

A Remove the dome clip

B Remove the dome

C Remove the nozzle

D Remove the check valve

2. Reassemble after cleaning

Mounting the check valve

Turn the outer part of the check valve inside out. Insert the check valve into the pump housing and flip the outer part of the check valve over the housing. Fasten the valve by hooking the two flaps onto the taps of the pump housing.

Mounting the nozzle

Turn the outer part of the nozzle inside out. Insert the nozzle into the pump housing and flip the outer part of the nozzle over the housing. Make sure that the ear of the nozzle is pointed towards the dome.

Mounting the dome and clip

Mount the dome. Press the small tap (see the arrow) so that air cannot enter the dome. Mount the dome clip and ensure that the tap of the dome goes through the opening in the dome clip.

3. Connect the pump to the pouch

Put a new pouch on a flat surface. Locate the fitment. Place the connector of the pump in the centre of the fitment. Firmly push the connector into the fitment until it snaps in place.

4. Insert the pump and pouch

Hold the pump and the pouch with both hands. Let the pouch slide into the dispenser housing and guide the pump into the slots inside the dispenser housing.

5. Secure the pouch

Secure the pouch with the pouch clip.

6. Attach the lid

Lower the lid onto the dispenser housing while holding back the lever. When the lid is in line with the housing you are ready to pump.

Note

The portion size per pump stroke is factory set to 1 fl oz (15 ml). If another portion size is desired, please contact Red Gold for instructions.
