*The Reichart Family*

# Tomato Experts for 4 Generations

Our family owned company started in 1942. When the US entered WWII, the government asked citizens to step up and help the war effort by providing canned tomatoes to our troops. The Reichart family answered that call, and to this day we still partner with family-owned farms from Indiana, Ohio, Michigan, and California that focus on sustainably growing and efficiently packing the freshest, best-tasting tomato products in the world.
